Dear Sir / Madam,

Sub: Impact of Coronavirus (COVID-19) on business operations of the Company
Ref: Intimation under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Pursuant to provisions of Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, please find below an update from the Company in wake of the Coronavirus (COVID-19) outbreak.

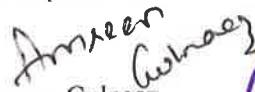

This is for your information and record.

1. Due to the lockdown starting March 21,2020 there were severe restrictions on the movement of people. However, as our business is classified as an essential service, we were able to depute staff at our customer locations. In the month of March 2020, the impact on revenue was negligible.
2. For the months of April & May, revenue has been approximately 15% lower than that of March 2020.
3. We expect the operations would slowly come to normalcy during the second quarter.
4. We have taken measures to defer & reduce expenses wherever possible.

We are monitoring the situation closely.

Thanking you,

For Kapston Facilities Management Limited

Amreen Gulnaaz,
Company Secretary
