EXECUTIVE SUMMARY

Chairman's Perspective

As we progress through Q3 FY 2025, our growth journey continues with the addition of new employees and clients.

We are steadily advancing towards our goal of becoming the preferred partner for both Indian and multinational clients.

We continue to expand our footprint across geographies and business segments.

EXECUTIVE SUMMARY

Managing Director's Message

Our journey in Q3 FY 2025 has been marked by steady growth, operational excellence, and a commitment to innovation.

At the core of our strategy is sustainable growth. Our ESG initiatives remain a key focus, driving responsible business practices, and social impact. We are committed to building a future that balances profitability with purpose.

With a strong foundation and a forward-thinking approach, we are confident in our path ahead.

WHAT DIFFERENTIATES KAPSTON

INNOVATION AND TECHNOLOGY

Our special expertise in human resource management, digital tools and a sound understanding of the market conditions gives us a leverage.

Innovation is our core DNA

- We recognise that technology is changing how people find jobs. Understanding that, we have continuously upgraded ourselves to stay ahead of the curve.
- Being customer-centric, we constantly challenge the standard norms to find 'even better' ways to deliver the best staffing solutions.

Key technologies we have deployed

Digital Onboarding

KYC-based mobile onboarding.

Digital Attendance

Mobile app to mark the attendance by geo-tagging and geo-fencing.

Digital ESS

Mobile app to empower employees as a single source for all employment-related information.

SAFE HARBOR STATEMENT

This document which has been prepared by Kapston Services Limited (the “Company”), have been prepared solely for information purposes and do not constitute any offer, recommendation or invitation to purchase or subscribe for any securities, and shall not form the basis or be relied on in connection with any contract or binding commitment whatsoever. No offering of securities of the Company will be made except by means of a statutory offering document containing detailed information about the Company.

This document has been prepared by the Company based on information and data which the Company considers reliable, but the Company makes no representation or warranty, express or implied, whatsoever, and no reliance shall be placed on, the truth, accuracy, completeness, fairness and reasonableness of the contents of this Document. This Document may not be all inclusive and may not contain all of the information that you may consider material. Any liability in respect of the contents of, or any omission from, this Document is expressly excluded. Certain matters discussed in this Document may contain statements regarding the Company’s market opportunity and business prospects that are individually and collectively forward-looking statements. Such forward-looking statements are not guarantees of future performance and are subject to known and unknown risks, uncertainties and assumptions that are difficult to predict. These risks and uncertainties include, but are not limited to, the performance of the Indian economy, the performance of the industry in India and competition, the company’s ability to successfully implement its strategy, the Company’s future levels of growth and expansion, technological implementation, changes and advancements, changes in revenue, income or cash flows, the Company’s market preferences and its exposure to market risks, as well as other risks.

The Company assumes no obligation to update any forward-looking information contained in this Document. Any forward-looking statements and projections made by third parties included in this Document are not adopted by the Company and the Company is not responsible for such third-party statements and projections.
